Dear Freeport families,

School Breakfast is free to all students for the 2023/2024 school year.

This is regardless of student or family eligibility for the free and reduced lunch program. You will not need to enroll your student in order to participate in free school breakfast.

“While lunch and à la carte items will continue to be paid, we’re thrilled that every student will have access to a healthy, nutritious and delicious breakfast at no cost to them or their families,” said Nancy Kohl, President of K-12 at The Nutrition Group.

We’re ready for the best year yet! Together, we can ensure your children have nutritious meals at school for their optimal health and well-being. Our simple mission continues to shine through every aspect of our business: Caring for People. Serving Great Food.

Please note we encourage all families to fill out a free and reduced application for lunches. Per the governors approved state budget for education those who qualify for free and reduced lunches will receive free lunches.

Please do not hesitate to reach out with any questions or concerns.

Sincerely,

Cassandra Mielke
Director of Food & Nutrition
